◆ FORT HAYS STATE UNIVERSITY ◆

Founded in 1902 on the plains of western Kansas, Fort Hays State University is the second youngest of the state's six universities of higher education.

From an exciting beginning, when 34 students were greeted by two faculty members and a 19-course curriculum, our university has grown to a student body of 5,600, a faculty of nearly 300, a support staff of 250 and a curriculum comprised of more than 1,500 courses.

Fort Hays State University is governed by a Board of Regents appointed by the Governor of the State of Kansas.

The main campus sits on 200 of the 4,160 acres owned by the state of Kansas and deeded to the university. Winding Big Creek, with its shady, grassy banks, traverses the campus and provides not only a tranquil, conducive learning atmosphere, but also serves as a natural laboratory for students in the biological sciences. Our campus has often been called the prettiest in Kansas.

FHSU is located in Hays, the largest city in northwest Kansas. A progressive city of 19,000 people, Hays is an old cow town on the Union Pacific railroad. The old and the new blend beautifully to form a city

that is small enough you can feel comfortable in, yet is large enough to provide culture and shopping facilities second to none.

The university is comprised of four colleges: Arts and Sciences, Business, Education, and Health and Life Sciences, and a Graduate School.

FHSU is academically superior to many comparable universities, offers students an electronic learning and living environment and is richly endowed by heritage and tradition. Surveys of our students show that while there are a multitude of reasons why students come to our university, their overwhelming response is always "because of the university's reputation for academic excellence and its caring faculty."

Fort Hays State University supports one of the most extensive intercollegiate sports programs of any comparable size college or university in America. More than 350 athletes annually compete in eight men's and six women's sports.

FHSU is a member of the Rocky Mountain Athletic Conference which is comprised of 14 schools from the states of Kansas, Colorado, Nebraska and New Mexico.

◆DR. EDWARD H. HAMMOND - PRESIDENT◆

Dr. Edward H. Hammond, is the eighth President of Fort Hays State University. A man of boundless enthusiasm and energy, whose style is upbeat and progressive, Dr. Hammond was born in McAllen, Texas, but reared in the Kansas City, Kansas area.

Prior to his current post, President Hammond gained educational experiences and shared his expertise at the universities of Louisville, Seton Hall, Southern Illinois, Purdue, and Missouri-Colum-

bia. The President holds bachelor's and master's degrees from Emporia State University and the Ph.D. from the University of Missouri-Columbia.

President Hammond has been extremely active since assuming the leadership of the University in the summer of 1987. He laid the groundwork for a cooperative educational initiative between FHSU and the community colleges in Western Kansas; has watched his dream to totally computerize the campus become a reality; created an organization comprised of business and community leaders from 54 Western Kansas counties and helped to establish scholarship programs for potential minority school teachers at Garden City and Liberal.

Dr. Hammond has played a major role in furthering economic development in Hays and Western Kansas and introduced a voice mail system

that vaulted the foreign language efforts of FHSU into an elite class. He prompted the completion of the Beach/Schmidt Performing Arts Center for the cultural development of the area and launched the expansion of Sternberg Museum to a new location soon on Interstate 70. He obtained federal and state funding for the university's new \$12 million science building and completed a \$20 million Capital Campaign to raise private monies for the enhancement of many university programs.

President Hammond has published widely and is in demand nationally as an educational consultant because of his expertise in risk management, staff and institutional liability, sexual harassment, and alcohol education issues.

The Hammond family includes wife Viv (Hammeke), formerly of Ellinwood, daughters Kelly and Julie, and son Lance.

◆TOM SPICER - DIRECTOR OF ATHLETICS◆

Tom Spicer was named director of athletics at Fort Hays State University on July 27, 1989. Spicer begins his ninth year as director of athletics and has emphasized a return to athletic and academic excellence.

A native of Beaver, Oklahoma, Spicer attended secondary schools in Hays. He is a graduate of Hays High

School and earned a bachelor of science degree from Fort Hays State University in 1972. He played varsity football for the Tigers during his collegiate days. Spicer also received his master of science degree from FHSU in 1977.

Spicer is largely responsible for the improvements that were made to Lewis Field Stadium. Through his continued efforts the 1936 stadium was renovated with new synthetic surfaces on both the football field and track. The native limestone structure was sandblasted to its original color. A new two-story press box on the west side of the stadium is a welcome addition to stadium. Spicer's fund-raising efforts have led to improved financial support of the Tiger athletic programs, allowing student athletes the opportunity to at-

tend FHSU.

Prior to making the move back to FHSU Spicer was the director of athletics and dean of student affairs at Butler County Community College. He also has experience as director of athletics, physical education instructor, head football coach and track coach for the Durant, Oklahoma, School District.

Previous to his work in Oklahoma, he taught and coached at Salina South High School, at Bishop Miege High School in Shawnee Mission and at Schlagle High School in Kansas City, Kansas.

Spicer is married to the former Kathy McGovern of Denver, Colorado. She received a bachelor of arts degree in sociology from Fort Hays State in 1972. The Spicers have four children: Matt, Amber, Kristen and Allison.

◆ FHSU FOOTBALL FACILITIES ◆

Lewis Field Stadium, the 5,862-seat home of the Tigers, received a major facelift prior to the 1993 season. The native limestone structure was refurbished to its natural state when 57 years of weathering was sandblasted away.

The grass football field and cinder track were replaced with state-of-the-art artificial surfaces.

The new football field is STADIA-Turf, an artificial playing surface. The green turf lies upon a rubber surface and beneath it is a layer of crushed rock which allows for maximum drainage. Both end zones are gold with black lettering spelling out Fort Hays in the north and Tigers in the south.

The new 8-lane rubber and polyurethane track was named the Alex Francis track, to honor the former Tiger track & field coach. The majority of the field events are conducted outside the north wall.

Prior to the start of the 1996 season the seating was replaced throughout the stadium. The new seats include 1,000 chairback seats on the west side and new bench seating in the remainder of the stadium.

Lewis Field was constructed in 1936 on what was formerly the Golden Belt Fairgrounds, and was named in honor of William Alexander Lewis, president of Fort Hays State University from 1913 to 1933.

The field is located beside a spacious tree-lined drive and is just a short walk from the campus residence halls and the downtown business district.

Dressing rooms, concession areas, athletic training facilities, restrooms and equipment storage rooms are located under the grandstands. An overhaul of the Tiger locker room was completed just before fall practices in 1990 with a synthetic floor, a false ceiling and new paint providing an entirely different atmosphere. A new stereo system was also installed.

Admittance to the stadium is allowed through two main gates, one on the east side and one on the west side. Four ticket windows are in service for each game.

Outside the limestone wall to the southeast are two football practice fields.

◆ FHSU FOOTBALL FACILITIES ◆

The most recent addition to Lewis Field Stadium is the new 2,800 square-foot Hubbard press box which sits atop the west side of the stadium. The press box is named in honor of R.D. and Joan Dale Hubbard of Palm Desert, Calif. who provided the majority of the funding.

The upper level of the two-story press box features a large area in which 20 or more electronic media personnel can report on college athletic contests.

Available for reporters are radio and television booths, hookups, a camera deck, a filming room and a restroom. Booths are also available for both home and visiting football coaches for scouting. The second floor also houses scoreboard, public address and statistical crews.

The lower level of the facility is the hospital-ity area where President and Mrs. Edward H. Hammond will host university guests. Inside the University Suite are tables and chairs for 40 guests, a small kitchen and a restroom.

The entire press box is heated and air conditioned and has an integrated sound system whereby users may listen to radio broadcasts, view televised games and pick up crowd noise from outside the box.

An elevator will carry university guests, media personnel and people with disabilities from ground level to their destinations. Areas designed especially for the disabled are located at the top of the stadium both north and south of the first level of the press box.

◆ FIELD STRENGTH FACILITY ◆

The Earl and Winona Field Strength Facility is located in 6,814 seat Gross Memorial Coliseum. As a result of the generous contributions of the Field's the room was expanded to include new state of the art weight and workout equipment. The room is 4,600 square feet and is used by all of FHSU's 400 athletes.

◆ 1997 TIGER FOOTBALL OUTLOOK ◆

1996 REVIEW

The 1996 Fort Hays State University football season began well for the Tigers posting victories over instate rivals Emporia State and Washburn University. The 2-0 start moved the Tigers to the number 6 spot in the NCAA II rankings.

The next five weeks of the season proved to be a roller coaster ride for the squad. Following the 2-0 start FHSU lost the first game in school history to Fort Lewis College at home 24-21. An off week and the Tigers rebounded with a thundering 46-7 homecoming victory over Mesa State College which was in turn followed by a 42-14 crushing defeat at Nebraska-Kearney. A last second field goal the next Saturday and FHSU defeated Western State College 26-23. Returning home the next weekend FHSU dropped a 22-19 decision to New Mexico Highlands.

An incredible 30-27 comeback victory at home versus previously unbeaten and number 8 Chadron State College and the Tigers were 5-3 on the year. Road wins at Adams State and Colorado Mines and the 1997 squad had won their final three games of the season. The Tigers win over Colorado Mines was the 50th win for head coach Bob Cortese at FHSU making him the winningest coach in school history.

Gone from the 1996 squad are five first team All-RMAC performers in defensive back Keith Eck, wide receiver Xavier Brown, running back Emmett Pride, defensive lineman Jeremy Hawks and center Ryan Martin. Eck and Brown were second team All-America selections while Martin was named to the honorable mention All-America team. Eck was named to the NCAA II All-West Region team with Brown and Pride earning second team honors.

OFFENSE

Quarterback Joel McReynolds, receiver Patrick Mintner and

guard Clint Albers are the three lone returning full-time starters to an offensive unit that produced 434.8 yards per game in total offense last season to rank second in the RMAC and 11th in NCAA II. McReynolds pass efficiency rating of 134.1 ranked him 24th in NCAA II and was tops among RMAC quarterbacks. He passed for 1,831 yards and 15 touchdowns while running for 463 yards and seven touchdowns. Playing behind McReynolds again this season will be sophomore J.J. Selmon who saw limited action last season. Also returning is redshirt freshman Jeff Lolley.

Mintner, a junior flanker, was second on last years squad with 30 receptions for 406 yards and four touchdowns. His backups sophomore Ken Lloyd and redshirt freshman Jeff Ruder have yet to catch a pass at FHSU.

The split end prospects are newcomers to the Tiger football program in Neal Smith and Sean Williams. Both transferred to FHSU at semester and participated in spring practice. Tight ends Jami Deters (6'4", 256), Bryan DeLong (6'3", 223), John Thyfault (6'2", 226) and Justin Killian (6'3", 204) are returners who will battle for playing time. Deters, a senior, started several games last season but caught just two passes one for a touchdown and the other was a two-point conversion. Thyfault moves to offense after playing defensive end last year.

A host of running backs will battle for time in the backfield. Fullbacks Damian Walker and Andy Pfannenstiel have both been starters during their FHSU careers. Walker, a starter on FHSU's 1995 playoff team, returns after missing all of last season with a broken ankle. A sophomore Pfannenstiel's top game came in the season finale versus Colorado Mines rushing for 90 yards and two touchdowns. Returner Mark Henning along with newcomers Terry Blassingame and Don Gregory are the top contenders at tailback. Henning saw limited

duty as a freshman a year ago. Henning emerged from spring practice as the number one tailback. Blassingame and Gregory both transferred to FHSU at semester and participated in spring practice.

The biggest challenge is filling the shoes left by the loss of four senior offensive linemen from last season. Albers (6'1", 281) a two-year letter winner and starter last season returns at one guard spot. Senior Myron Grady, sophomore Jeff Conley, redshirt freshman Brad McDougal and junior college transfer Brad Turner join Albers in the battle for time at offensive guard. Grady was a part-time starter last season. Returners Philip Johnston (6'2", 291) and Jason Noriega (6'6", 286) along with junior college transfers Jason Pfarr (6'4", 310) and Jason Behunin (6'7", 400) are the early favorites to man the offensive tackle positions. Sophomore Joe Brown (6'3", 291) and junior college transfer Mike Butler (6'2", 281) will battle for the center spot. Brown was the Tigers long snapper last season.

DEFENSE

The strength of the 1997 football squad should be the defense with the return of eight starters from a unit that led the RMAC with a plus 1.5 turnovers per game.

Defensive ends Travis Jenkins, Brian Ruder, Ty Stucky, and Trevell Smittick return. Despite missing three games with an injury Jenkins was an honorable mention RMAC selection. Ruder started the majority of the games last season. Stucky played both defensive end and tackle a year ago. Smittick missed most of the 1996 season with a knee injury but returned by seasons end.

Starting defensive tackle Matt Kuhn and nose guard Derek Brau return to bolster the defensive tackle spots. Redshirt freshman Chad Karr (6'3", 260) should challenge the two incumbents for their starting spots. Junior Eddie Overton and junior Mike Illes add depth

◆ 1997 TIGER FOOTBALL OUTLOOK ◆

to the defensive tackle spot.

Linebackers Mike Lankas, Scott Karl, Ryan Buchanan, Josh Simonson, Trevor VanEaton and Landon Frank all return to make the linebacker corps the strength of the defense. Lankas and Karl began last year as starters but both missed the final six games of the season. Healthy seasons by these two outside linebackers could be key to the Tigers success. Buchanan started all 10 games last year at outside linebacker and is the teams top returning tackler with 65 total tackles, eight for loss. Simonson lettered as a true freshman last fall and will again press the veterans for playing time. Looking for time at inside linebacker will be Frank, VanEaton and redshirt freshman Anthony Orrick. VanEaton finished the season as a starter while Frank also saw considerable time on the field. Orrick is a redshirt freshman of which good things are expected. Tiger punter Rusty Leonard is also working at inside linebacker.

Veterans Brock Hutchinson, Lester Randall and Clay Scanlon should lead the Tiger defensive backfield. Hutchinson started the 1996 season at corner back and was hurt on the first play of the season which forced him to miss two games. He returned but was bothered by the injury the remainder of the season.

Look for Hutchinson to move back to safety where he played his first two seasons. Randall, an RMAC honorable mention selection, was second on the team with three interceptions a year ago. Scanlon's versatility allows him to play both corner and safety. After playing wide receiver last year Rodney Mitchell will compete for time at corner back. Mitchell played both defensive back and receiver in junior college. Redshirt freshman Jon Harper is also a early contender at corner back.

SPECIAL TEAMS

The majority of the Tiger special teams performers return but replacements must be found for punt returner Xavier Brown and place-kicker Jason Brown. Kicker returner Rodney Mitchell averaged 23.8 yards per kick return in 1996 and should handle those duties again this season. Redshirt freshman Jon Harper may also be given a chance to return kicks.

Garden City Junior College transfer Dana Moore along with Hays' freshman Wes Simoneau are the leading contenders to handle the Tiger kicking duties.

Incumbent punter Rusty Leonard returns after averaging 38 yards per punt last season to rank sixth in the RMAC and 27th in NCAA II. Adam

Ryan, an Australian Rules football player, returns for his second season at FHSU to compete for the punting job.

Long snapper Joe Brown and holder Brock Hutchinson are solid at their special team assignments. Brown took over as the teams long snapper as soon as he stepped on campus last fall. Hutchinson has been the Tigers holder the past three years.

THE SCHEDULE

For the sixth consecutive season the Tigers begin the season with traditional rival Emporia State, this year in Hays. The second game of the year has FHSU traveling to Topeka to play the Ichabods of Washburn University.

The RMAC schedule will again be a tough test with road games at Fort Lewis College and New Mexico Highlands, two teams that won for the first time, last year at Lewis Field Stadium. FHSU also has a road date at NCAA II playoff participant and defending RMAC Champion Chadron State College.

After playing a 10 game schedule last season FHSU will play 11 games this year. Returning to the non-conference schedule for the first time since 1991 is Wayne State College in a game to be played at Lewis Field Stadium during week four.

◆BOB CORTESE HEAD FOOTBALL COACH◆

Bob Cortese begins his eighth season as head coach of the Fort Hays State University football program. The Tigers 44-26 win over Colorado Mines to end last season was his 50th victory at FHSU which surpassed Wayne McConnell for the most victories by a Tiger football coach. His average of seven wins per season is tops among Tiger coaches who have coached at FHSU for more than one season. Nationally he ranks sixth among active NCAA II coaches in winning percentage and 11th in career victories. The 100-win plateau came when the Tigers won their final game of the '91 season. His overall record now stands at 134-48-6 in 17 seasons as a collegiate coach. In 16 years coaching in the RMAC he is 91-18-4 in conference play, a winning percentage of .823.

In 1990 he took over a struggling FHSU football program and led the Tigers to an 8-4 mark and the school's first ever postseason playoff appearance. Since the 1990 NAIA playoff appearance he has guided the Tigers into the NCAA II playoffs in 1993 and 1995. The 1993 squad captured the school's first Rocky Mountain Athletic Conference football title since joining the league. The 1995 team posted a 6-0-1 Rocky Mountain Athletic Conference mark to tie for the conference crown and Cortese was named RMAC Co-Coach of the Year. Tiger teams have tallied a school record eight victories in a season six times and Cortese coached teams have accomplished that feat four times.

Cortese was named the 18th head football coach in FHSU history, December 29, 1989, after 10 years as head coach at Mesa State College in Grand Junction, Colorado. The Mavericks landed six NAIA playoff berths while establishing an 84-22-3 record with Cortese as head coach. Mesa State posted records of 2-8 and 1-8 during the two seasons prior to Cortese's appointment as head coach. He only had one losing season with the Mavericks and never lost more than three games in any season after his first year.

Along with success comes honors. Cortese was named the NAIA District 7 Coach-of-the-Year six times. He also was a runner-up for NAIA National Coach of the Year honors in 1982 and 1983. In his first year at FHSU he duplicated those honors with NAIA District 10 and runner-up NAIA National recognition.

As a collegiate athlete, Cortese excelled on the football field at Northeastern Junior College in Sterling, Colo., where he earned J.C. Grid-Wire and UPI All-America honors in 1962. He went on to spend two successful seasons with the University of Colorado. He earned a bachelor of science degree from Colorado in 1967 with a major in physical education. He completed work on a master's degree in curriculum and instruction with an emphasis in vocational education at the University of Northern Colorado in 1973.

After his playing days at the University of Colorado, Cortese spent two seasons as a graduate assistant in the program and later returned to the program under both Bill Mallory and Chuck Fairbanks as a full time

assistant.

Cortese was a prep coach in Colorado at Lakewood High School (1979-80), Arvada Senior High School (1974-77), Highland High School (1971-74), and St. Joseph High School (1969-71). His coaching mark at all levels is 224-75-7 in 27 seasons.

Cortese is married to wife Toni. Bob has two sons, Jim and Jeff, and Toni has two daughters, Michelle and Andrea.

FORT HAYS STATE 26, WESTERN STATE 23

Gunnison, CO(Oct. 19) FHSU led 23-16 with 2:42 remaining in the game but was forced to punt the ball to Western State College. Mountaineer quarterback Jason Davis threw a 10-yard touchdown pass to Joe Wuebben and the lead was one, 23-22. The extra point kick split the uprights and the game was tied 23-23 with 29 seconds left to play.

WSC elected to squib kick the ball and try and avoid the long return but FHSU defensive end Travis Jenkins snared the ball at the FHSU 48 yard line. Three plays moved the ball into

field goal position. Tiger place-kicker Jason Browning trotted onto the field for the 43-yard field goal attempt which split the uprights and FHSU led 26-23 with one second to play. WSC was unable to return the kickoff and FHSU won for the first time in Gunnison, Colo. since 1990.

FORT HAYS STATE 30, CHADRON STATE 27

Hays, KS(Nov. 2) Chadron State exploded for the first 27 points of the game before the Tigers mounted an incredible comeback. Trailing 27-21 with 1:15 remaining in the game reserve tailback Tah'ki Bannister made a leaping catch of a Joel McReynolds pass at the 1-yard line and stretched for the end zone. The 18-yard touchdown reception tied the game 27-27 pending the extra point. FHSU place-kicker Jason Browning's kick was wide right and the game remained tied.

Browning's kickoff sailed into the end zone and the Eagles started their drive at the CSC 20 yard line. A run, incomplete pass and CSC faced a third-and-three with 35 seconds left to play. CSC just needed to run a play as the Tigers were out of timeouts. The Eagles ran the ball up the middle but Tiger linebacker Ryan Buchanan forced a fumble on the exchange between running back Mike Fackrell and the quarterback. FHSU defensive tackle Jeremy Hawks recovered the ball at the CSC 27-yard line. Two incomplete passes left just 20 seconds to play in the game. On third down FHSU head coach Bob Cortese sent the field goal unit onto the field. Browning, who had missed the extra point, split the uprights from 44-yards out and the Tigers led 30-27 with 12 seconds remaining. The kickoff was a touch-back and CSC's last pass fell incomplete as the Tiger comeback was complete. CSC had been undefeated and entered the game as the number 8 team in NCAA II.

FRESHNESS IS KEY TO GREAT BEER TASTE.

Check out Budweiser's new "Born On" Date. It's the exact day our beer is packaged so you know how fresh it is.

Many other brewers list a "pull" date which doesn't tell you when the beer was made, only when the brewer says it should be pulled from the shelf. Often these dates are disguised codes and cannot be easily read.

How fresh? You can't tell.

Look for the new "Born On" Date on all Anheuser-Busch quality beers. It's your guarantee of Brewery Fresh Taste.

FRESH BEER TASTES BETTER.
